

CITY OF MARINETTE
BIDDER'S PROOF OF QUALIFICATIONS

This Bidder's Proof of Qualifications must be completed and submitted to the Owner a minimum of five (5) days prior to the Bid Deadline. Bidders who have pre-qualified to bid other street reconstruction/utility projects in 2021 calendar year need not resubmit this from, unless the previous information about the Bidder pertaining to the questions herein has changed since your last approved qualification, or the Owner requests additional information.

On all contracts the bidder shall submit a full and complete statement sworn before an officer authorized to administer oaths, of financial ability, equipment, experience in the work prescribed, and such other matters as the Owner may require for the protection and welfare of the public and itself.

The object of the questionnaire is not to discourage bidding or make it difficult for qualified bidders to file bids. Neither is it intended to discourage beginning contractors. It is intended to make it possible for the Owner to have exact information on financial ability, equipment, personnel and experience in the field of the contracts at hand in order to reduce the hazards involved in awarding contract to parties apparently not qualified to perform them. The Owner reserves the right to require additional information before awarding the contract in order to determine qualifications for the work.

The contents of this questionnaire will be considered confidential to the extent allowed by applicable laws and regulations.

If the Owner is not satisfied with the sufficiency of the answers to the questionnaire and financial statement, it may reject the bid or disregard the same or require additional information.

The following experience record, as of date shown, shall be submitted. All questions shall be answered fully. The contents of this form will be considered confidential to the extent allowed by applicable laws and regulations.
